## College Leadership Council

---

The College Leadership Council (CLC) was founded in 2010 with the intent to promote collaboration and communication between the students in all the departments from the College of Fine Arts. The CLC is made up of students with graduate and undergraduate representatives from each unit. The CLC encourages interdisciplinary communication and artistic collaboration. They believe that multidisciplinary cooperation will make better artists to work toward a stronger college.

## **SIX Magazine Launch**

---

This year, the College of Fine Arts accepted donations from FSU's Great Give to support the College Leadership Council. Funds supported the CLC's student research/artistic grant and the April 2019 release of *SIX* magazine.

The College Leadership Council will award the six students a research/artistic grant for projects in the College of Fine Arts that contains exceptional creativity and innovative content. Tonight also celebrates release of *SIX* Magazine — an annual publication of the College Leadership Council, featuring research, essays and visual work by students in the College of Fine Arts.

The *SIX* Magazine launch event highlights student achievement from all six academic departments in the College of Fine Arts. Faculty, staff, alumni, donors, students and friends of the College are invited to gather in the lobby of the Fine Arts Building to enjoy live performances and artist displays.
