IMPORTANT INFORMATION FOR STUDENTS

ATTENDANCE REQUIREMENTS

ALL students will check in every morning in the Dance Theatre prior to their first class. This daily gathering allows time for reminders and announcements for the day. If you are sick, please inform your counselor. She will determine if you should stay in the dorm or observe class. Day students should call and leave a message at 850-645-2449 if they are sick.

ALL workshop participants are required to attend evening classes and activities. There will be a variety of classes for students to choose from. The evening class schedule will be posted the first day of each week.

CURFEW

Workshop participants will have very long and full days. All students will go directly from their evening class to the dorm. Your counselor will set the time for curfew and lights out as they see fit.

INTERNET CONNECTION

There is no Internet connection in the dorm. Some students do still enjoy bringing a laptop in order to watch DVDs in their rooms. If you would like to use the computer lab in Montgomery Hall, please see your counselor.

BREAKFAST SUPPLIES AND SNACKS

Bryan Hall has a small refrigerator/freezer in each room (shared with your roommate). There is also a kitchen in each hall (shared with your hall mates) that has an oven, stove, sink, and microwave. You cannot bring a toaster or microwave to have in the dorm room, you need to use the shared kitchen.

We will provide a weekly walking trip to the CVS on campus. It is a larger one with a good variety of grocery items. Everyone can replenish snack foods and those with the two-meal plan option can replenish breakfast foods.
