

THIS IS YOUR INVITATION

# influencer tours

Have you wondered what Tallahassee has to offer outside of campus life?

FAMU, FSU and TCC are partnering with the Tallahassee Community- and a group of KCCI Catalysts to enhance your experience and connect students to life beyond campus.

To kick off the #ExperienceTLH festival we will be holding exclusive tours designed to give select students an inside look at different districts in Tallahassee. Those attending will hear from artists, business owners, community leaders and enjoy happy hours, free food & drinks, concerts and tours tailored for this group.

If you want to meet creatives, leaders, and entrepreneurs building a better community- if you are looking for cool spots to take your friends, dates or parents- or enjoy curating that perfect shot for the gram- we've got you.
